- 1) The information of sightseeing spots in the North-West area of Kyoto.
- 2) The comments on the information of sightseeing spots.
- 3) Question & Answer.

### Article 2-1

The collaborator should submit the application form to the office of Kyoto Historic Corridor Association. The secretary and permanent secretary in charge can check it. They will approve the participation of the collaborator if it satisfies the following conditions.

### Article 2-2

The conditions required for the participation of collaborator:

1. A person or a group who has enthusiasm to develop tourism in Kyoto.
2. A person or a group who complies with copyright law and common morals.
3. In the case of students or foreign students, it is to be desired that they have an appropriate mentor. However in the case of collaborator who sends only comments to this site, they are not required to have a mentor.
4. A person or a group should submit the plan and schedule to the office of Kyoto Historic Corridor Association.

### Article 3

The parts of contents which the collaborators have responsibility to make are admitted and arranged by the staff and secretary in charge.

### Article 4

ID is issued to each collaborator or group. With this ID, the collaborator can approach the originating site and write on the draft page. After being checked by the secretary and permanent secretary in charge, the draft page is formally uploaded to the Kyoto Kanko Student Net ([kkstnet.org](http://kkstnet.org)).

### Article 5

If the secretary and permanent secretary in charge find any troubles or mistakes on the uploaded information, they can rewrite or eliminate the information at once without any agreements of the collaborator.

#### Article 6

The student works or reports on Kyoto Tourism can be uploaded on the Reports page of this site. A person or a group should make an application. The secretary and permanent secretary in charge check it and admit to upload it or not.

#### Article 7

The secretary and permanent secretary in charge has the discretionary power to manage this site so far as their acts and judgments conform to the development of Kyoto Tourism.
